### Participant Confirmation Form

The Manitoba Marathon would like to thank you for using our online registration system.

To register with your school online, follow the steps as outlined on the **online registration summary**. You will enter your school's coupon code on the payment page and submit your payment with this form to the school. This form must be returned to your Manitoba Marathon Run Club leader so that they may pick up your race package at their school appointment. If you are not registering online please use the official entry form as we do require birthdates etc. **Teachers: this form is NOT an official entry form, and is only to be used so that you have confirmation that parents have registered their child online. Please do not bring this form to School week, we will not release kits unless you have official entry forms filled out, or have registered online.** (Please note: unpaid packages cannot be released)
